

EMC MENTORING AGREEMENT
The Relativity of Change

Congratulations! It's obvious you are ready to make positive changes in your life. You've chosen EMC Mentoring as the way to help you transform. Through this process, you will completely shift from debilitating emotions, negative belief systems, and spiritual exhaustion into personal power that will allow you to accomplish desired goals.

In order for the process to work optimally for you, we ask that you read this agreement carefully, then sign and date it. It's not merely an agreement between you and Center of Light Miracles but it is an agreement and commitment that you make with yourself.

The terms and conditions of this contract are as follows; by signing this you agree to:

- The EMC Mentoring process is to be followed for a minimum of 12 weeks and, based upon your discretion, may extend further.
- Sessions are 1 hour in length every other week. Your appointment will be on the same day at the same time for every session unless an emergency arises.
- If you need to reschedule due to emergency circumstances please do so a day or more in advance.
- Follow all of the exercises specifically designed for you as guided by the spiritual mentor.
- Pay in advance of the next session by one of the payment options available. An invoice will be sent for your convenience prior to each session as a reminder.

Once you've signed this contract you'll discover the process beginning even before your first session. You have now started the journey of opening up to a new mind set, and more expansive energy. Again, Congratulations on venturing into the real you!
